

# Summit

Ideally designed for the agricultural industry, this attractive and versatile design is well suited for all building applications. From residential to commercial, the superior lap design creates a seamless crisper appearance on both roofs or walls. Exceptional rigidity allows for superior span ability. Available in DuraFlex silicone polyester ceramic paint finishes. The Summit panel can be quickly installed over existing shingles with 1" x 4" horizontal strapping, for new construction check your local building codes.

- Fast roof or wall coverage
- True 29 gauge steel
- An alternative to conventional siding
- DuraFlex custom silicone polyester ceramic paint finish
- Anti-siphon water-channel system for a virtually leak-free roof
- Custom-cut full-length sheets
- Exceptional rigidity
- Low cost

Agricultural / Residential  
Commercial / Industrial

Steel Tile manufactures a solid line of roofing tiles and accessories that are durable, stylish, cost-efficient and virtually leak-proof.

Home and cottage owners, institutions, builders and architects have all discovered the long-lasting Steel Tile advantage.
